- AM: Years 5 & 6, 2 ½ hour presentation
- PM: Years 3 & 4, 1 ½ hour presentation
- PM: Teaching Staff, 1 hour presentation/Q & A session

Course Overview

The 'Fast Track' primary course consists of two multi-sensory and highly interactive year group presentations for Key Stage 2, designed to delight students by showing them creative and fun approaches to learning. Combining accelerated learning techniques, whole-body learning approaches and VAK methods, these presentations have already thrilled and inspired thousands of primary students all over the country.

Aims & objectives

- Demonstrate easy-to-use Accelerated Learning principles and techniques in action
- Create a powerful positive learning experience for pupils and staff
- Show pupils how easy it can be to absorb and retain knowledge
- Increase pupil confidence and belief about learning
- Stimulate the further adoption of techniques and principles in the classroom
- Encourage reluctant learners to see learning as a joyous experience

What you will receive

- Interactive presentations with pupils and staff learning together
- A fun, uplifting and highly enjoyable learning experience
- A post-course presentation for teaching staff enabling them to further explore and familiarise themselves with the techniques shown.
- Delivered by a top class professional presenter
