Course Overview

The 'Exam Busters' course has been specifically designed with one major outcome in mind; to assist students in attaining the best possible results in their SATs, Mocks, GCSE and A-level exams. Developed in conjunction with world-class memory 'Grand Wizards', this seminar introduces students to the most powerful and widely-used memory techniques known. This course will ensure that your students have all the techniques and tools required to prepare themselves for their forthcoming exams. Failing to prepare is preparing to fail.

Aims & objectives

- To demonstrate and practice powerful memory techniques
- To demonstrate easy-to-use revision techniques
- To analyse concentration and provide effective studying patterns
- To provide stress management exercises and techniques
- To provide guidance on how best to create an ideal learning environment
- To stimulate a positive attitude towards revision

What you will receive
