

# Screen Skills

## Course Profile 14-19 yr olds

### One fun-packed workshop, hundreds of benefits.

A unique one-day work related learning programme that brings television professionals and education together. ScreenSkills creates the opportunity for increased confidence and self-development, whilst improving vital presentation and communications skills.

#### Who's it for?

- Screenskills 14 - 19 is aimed at students from Key Stage 4 upwards
- Groups of up to 30 students at a time (larger groups are possible by arrangement)
- One-day workshop including lunch and breaks

#### Key Benefits

- Brings industry and education together to provide work-related learning
- Offers techniques to enhance personal learning and thinking skills
- Builds a student's ability to think, question, explore, create and communicate
- Improves practical and transferable skills such as presenting, interviewing, teamwork self-analysis and reviewing the work of others
- Encourages global thinking in a workplace context drawing together planning, research, writing, creative presentation, pre and post-production considerations

#### Student feedback

*"The day was extraordinary and being interviewed was fantastic. I really hope you can come again soon"*

*"I'd like to thank you for putting together this incredible experience. I enjoyed it more than I can say"*

*"Thank you so much for coming. You've inspired me"*

#### Teaching Staff Feedback

*"The students speaking, listening and presentation skills have improved as a direct result of this workshop. Thank you"*

*"The professional expertise you brought to the day, and the fact that you are a reporter, gave the students an enormous sense of self-worth and kudos"*

#### What you will receive...

- Pre-course information and direction for teaching staff
- An entertaining, hands-on, highly interactive workshop for students AND staff
- Delivered by an experienced television Presenter, Reporter or Correspondent
- Post Course Key information and terminology Guide including Key overview slides to reinforce ideas
- Follow-on ideas to practice and embed the techniques
